

Bloody Spooky Mary

This Halloween-inspired cocktail certainly looks the part! To make one simply pour 250ml of **Big Tom Spiced Tomato Juice** over ice and top with 50ml of **Blavod Black Vodka**; the vodka then turns black - that'll put the frighteners up your party guests!

Big Tom is available from Sainsbury's & Waitrose for £2.29. Blavod pure black vodka is available nationwide, priced 10.99
