

# A fresh taste...

WE are offering you the chance to ease your way through the long cold nights ahead with a crate of Big Tom.

January may be the month of hangovers and failed resolutions, but Big Tom, packed with more than 20 herbs and spices including cumin, coriander and pimento from 13 different countries is the perfect winter pick me up.

It can even help you stick

to that New Year diet, as a filling and nutritious low-fat liquid meal. Just one bottle contains ten nutrient rich tomatoes, a source of lycopene and many other essential vitamins and minerals. On top of all that, it tastes great too!

Of course, if the thought of January is just far too much for you, add vodka to make the perfect Bloody Mary!
